Mayor and City Council of Remerton, Georgia
Remerton Downtown Development Authority

Glenn Gregory

Based on the on-going activity with the Strickland Cotton Mill Property, I feel that is necessary for me to resign from serving on the Remerton Downtown Development Authority. Many times the Mill Property has come up in our meetings and I have always not been able to discuss the subject due my part ownership in the property. Therefore, in the interest of not giving the appearance of a "conflict of interest", I resign effective immediately from this position as a board member.

It is with a sincere gratitude that I thank the Mayor and Council for this appointment and their expression of confidence. I will continue to contribute by sharing ideas and suggestions that help the City of Remerton prosper and develop as a quality community.

Glenn Gregory

A handwritten signature in black ink, appearing to read "Glenn Gregory". The signature is written in a cursive style with a large initial "G" and a long, sweeping underline.
